The publisher regrets that errors appear in Table 2a in the printed article. These errors have now been corrected online, and the correct version of Table 2a is given here.

Table 2a  
QoL questionnaire by region and age group.

Questionnaire	Region	Age group		
		≥5 –15	16–17	≥18
PedsQL	COG (North America) & EOI (North West Europe)	+	+	
PEDQOL	COSS (Central Europe) & SSG (Scandinavia)	+	+	
EORTC QLQ-C30	All		+	+

We also note that a Multimedia component was included with the online article in error. This has now been removed from the online article. We can confirm that there are no additional Supplementary Data files to appear with this article.

The publisher would like to apologise for any inconvenience caused.
